Mr. James M. Frey
Assistant Director for
Legislative Reference
Office of Management and Budget
Washington, D.C. 20503

Dear Mr. Frey:

This is in response to your request for our views on the draft bill, "To amend the International Investment Survey Act of 1976," which would increase the appropriation authorization to carry out the purposes of the Act.

The amendment has little or no significance to the Agency. Therefore, we defer to the views of those agencies more directly affected.

Sincerely,

SIGNED
